

HEALTH AND SAFETY POLICY

The Objective of Scaffolding International Health and Safety Policy is the continual improvement in Health & Safety

Management and the prevention of Injury and Ill health to those who may be affected. The Company is committed to the

prevention during the course of the work or duties being undertaken, any accidental occurrence resulting in :

- Injury to any person
- Damage to or loss of any plant, equipment, property, material or products
- Delays in any processes or operation
- Events that may otherwise be detrimental to efficiency and / or prestige

The policy is applicable to All Scaffolding International employees, workers and all person whose presence is necessary at

Scaffolding International premises, sites or workplaces. This includes the employees of subcontractors, Customers and Visitors.

The Application and promotion of the policy is the responsibility of Scaffolding International senior management. Whilst duties

and tasks may be delegated, the overall responsibility remains that of senior management to ensure that the company

complies with the relevant health and safety regulation and approved code of practice.

By Implementing the above policies, we endorse our commitment to carry out our business in the most professional manner.
